

# Graphic Communication Design

## Weekly action plan

Week beginning: 30th March 2020

### Outline your aim for the week:

**Explore mid-century poster design used to advertise a location/holiday destination, but in the context of self-isolation.  
Product a poster each day of the week.**

|           | AM   | PM   |
|-----------|--|--|
| Monday    | Finishing last week's animation project.           | Exploring output methods. Developing new idea. |
| Tuesday   | Research for week's work. Sketching poster design. | Illustrating poster.                           |
| Wednesday | Brainstorming and sketching poster design.         | Illustrating poster.                           |
| Thursday  | Brainstorming and sketching poster design.         | Illustrating poster.                           |
| Friday    | Brainstorming and sketching poster design.         | Illustrating poster.                           |
| Weekend   | Finishing touches on poster designs.               | Exploring output methods.                      |
